MEMORANDUM FOR: Director of Security

SUBJECT : Survey of Defector Program Activity

1. This Office is currently conducting a survey of the activity carried on by CIA in the Defector Program, a responsibility levied on us by NSCID 13 and 14. The survey will also include certain of the financial obligations incurred by virtue of discharging these responsibilities.

2. For purposes of the survey, a defector is defined as follows:

Denotes an individual who escapes from the control of the USSR, or countries in the Soviet Orbit, or who, being outside such jurisdiction or control, is unwilling to return to it, and who is of special interest to the U.S. Government because he is able to add valuable new or confirmatory information to existing U.S. knowledge of the Soviet world; because he is of operational value to a U.S. agency, or because his defection can be exploited in the [redacted] field.

25X1A

25X1A

Soviet Orbit is defined to include Poland, Czechoslovakia, Hungary, Albania, Bulgaria, Rumania, North Korea, Communist China and East Germany.

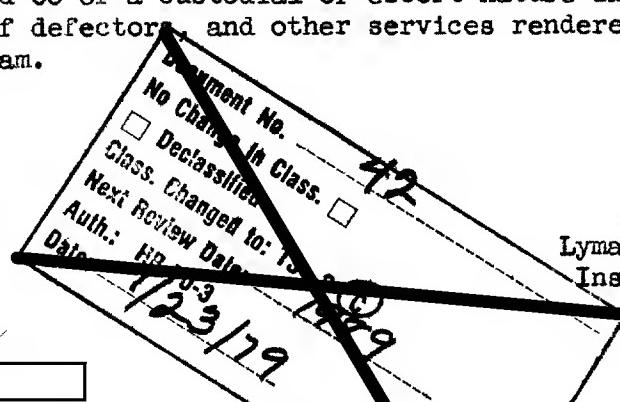

25X1A9a

3. Mr. [redacted] of my staff is designated as my representative to contact you on this matter. He will be particularly interested in learning what services you have been requested to perform on behalf of DD/P and OO of a custodial or escort nature in connection with the handling of defectors, and other services rendered by you in support of this program.
